Subject: Planning Application - Pavilion Theatre & Atrium - Works to Windows
To: Planning - <planning@adur-worthing.gov.uk>

Planning App.zip

Dear Planning,

Please find attached an Application for Planning Permission together with supporting documents for "Replacement of existing defective single-glazed metal framed windows with new double-glazed metal framed windows to match existing appearance to the main Pavilion, replacement of single-glazing with new double-glazing within existing timber-framed windows to The Atrium (Denton Lounge) and installation of internal secondary glazing system to existing windows to dressing rooms & back-of-house areas" at Pavilion Theatre & Atrium, Marine Parade, Worthing, West Sussex, BN11 3PX.

Due to the size / number of documents I've had to attach as a Google Drive link. If you are unable to download the files this way please let me know and I'll send as attachments over a number of separate emails.

We trust the application is complete, however should you require additional information please do not hesitate to contact me.

As Pavilion Theatre & The Atrium is also a Grade II Listed Building; we are also submitting an Application for Listed Building Consent at the same time as this application. The LBC will be sent in a moment.

Can you please confirm the Planning Application fee and cost code, so that I can arrange for the internal transfer of the funds?

Kind regards,

Tavis
