Reasons for comment:	- Other - Privacy Light and Noise - Trees and Landscaping
Comments:	My property is adjacent to the proposed development and my bedroom directly overlooks the proposed site. I am concerned about the lighting encroaching on my privacy and the resulting extra noise from there being an extra seating for up to 24 people in my line of vision. Also, I'm concerned about the amount of young children that would be using the area. Bearing in mind the site is opposite the children's play area on the green. I'm also concerned about the air quality seeing as there is a large outdoor smoking area. I am a 75 year old, vunerable lady with health issues.
