Dear Rebekah Smith,

Re: 10 Querneby Close planning application for rooms in roof with front and rear dormers and single storey extension to side and rear

As owner/occupier of 12 Querneby Close we are very concerned about the proposed building work to 10 Querneby Close. We would like to object to the proposed dormer window at the front of the house, which we feel would be totally out of character with the rest of the houses in the Close, if allowed.

To the best of our knowledge this sort of development would not be allowed in a conservation area.

We feel very strongly that the Conservation Area remains unspoiled.

Yours Sincerely,
