Subject: Re: 16969 - T&T- YIF Adur Council (Planning Application AWDM-0030-26 - External condenser noise datasheet)

To: Gary Peck <gary.peck@adur-worthing.gov.uk>

Good Afternoon Gary,

I have looked through the above, as well as the plans on the application. And I am satisfied that the units will not have a detrimental impact on the residential amenity of the surrounding neighbours, and therefore recommend the discharge of any relevant condition.

Many Thanks

Hi Oliver

To save going through the consultation process again, please could you have a look at the attached?
