Dear Louise,

RE: AWDM/0926/26 - 39B Brighton Road Worthing West Sussex BN11 3EF

Thank you for your consultation on the above site. We have reviewed the application as the drainage consultant acting on behalf of the Council and wish to make the following comments.

The applicant is applying for a rear dormer extension, removal of rear chimney and rooflights to front roofslope (part-retrospective). The application is to Worthing Borough Council.

Following a review of the submitted information, we have no objection on surface water grounds. Due to the site, size, location, and type of development **we would recommend the approval of the application.**

Yours sincerely,

Sustainable Water Management Officer
