| Comments:            | I have skated at the Worthing Ice Rink every year since it has been there. It is the only opportunity I have locally to do 'my sport' which I have done on and off for forty years. The facility brings skaters from Worthing and further afield and is a brilliant asset for the town. It is used regularly by many local groups including those with all types of disabilities. I support the application wholeheartedly. |
