## SCHEDULE

### Reasons for Granting Permission

01. The proposed development would not detract from the local environment and can take place without resulting in unacceptable detriment to the amenities of neighbouring properties. It would consequently not conflict with the policies of the Adur District Local Plan (AG1, AH7).

### Conditions

01. The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

    **Reason**: *To comply with Section 91 of the Town and Country Planning Act 1990.*

02. The external materials and finishes of the development hereby permitted shall, prior to commencement of use of the additional floorspace thereby created, be completed to match in design, colour and texture those of the existing building unless otherwise approved in writing by the Local Planning Authority.

    **Reason**: *In the interests of visual amenity and to comply with saved policy AH7 of the Adur District Local Plan.*

03. The eastern elevation of the conservatory hereby approved shall be fitted with obscured glazing and windows shall be permanently non-opening.

    **Reason:** *To protect the residential amenities of the occupiers of the adjacent bungalow and to comply with policy AH7 of the Adur District Local Plan.*

04. The development hereby permitted shall be carried out in accordance with the following approved plans: -

    Plan no. 12/13/04 Sheet 1 of 5 - received 24th April 2013
    Plan no. 12/13/04 Sheet 2 of 5 - received 24th April 2013
    Plan no. 12/13/04 sheet 3 of 5 - received 24th April 2013
    Plan no. 12/13/04 sheet 4 of 5 - received 24th April 2013
    Plan no. 12/13/04 sheet 5 of 5 - received 24th April 2013

    **Reason:** *For avoidance of doubt and in the interests of proper planning.*

**Informatives / Notes to Applicant**

01. Precautionary land contamination

If during development, any visible contaminated or odorous material, (for example asbestos containing material, stained soil, petrol/diesel/solvent odour, underground tanks or associated pipework) not previously identified, is found to be present at the site, then no further development (unless otherwise agreed in writing with the Local Planning Authority) shall be carried out until it has been investigated by the developer. The Local Planning Authority must be informed immediately of the nature and degree of the contamination present and a method statement detailing how the unsuspected contamination shall be dealt with must be prepared and submitted to the Local Planning Authority for approval in writing before being implemented.

02. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.
