Subject: Re: AWDM/0190/24 - New Rd/East St ASHPs

Hi Peter,

I have googled the ASHP technical manuals and the noise levels look ok. The positions also look ok.

There are no EH objections to signing this condition off.

Regards

Michael Lavender

Hi Peter

With respect to the discharge of ADWM/1419/23 Condition 14 please find attached the full specification for air source heat pumps to be provided. Position of the external units remains unchanged from the original application.

Best regards

Guy

Thanks Peter,

We will comply fully with the ASHP condition for all properties. I am meeting a heat pump specialist this afternoon at the site if you'd like to join us?

Best regards

Guy

Dear Guy

You can amend your current application by providing the details as described in your email below. I have attached some noise guidance on ASHPs for your info.

Dear Dawn

I would like to respond to Peter's requirement for ASHP (ADWM/1419/23 Condition 14).

I'd like to state that we will comply with the requirement and state the particular specification for the ASHP's required for units R1, R2 and R3 and therefore part discharge this condition.

Do I need to submit another application for this part discharge as I had submitted this on the basis of using a Solar thermal hybrid system and so this is a change to the application? Or can I submit revised details against the original part discharge application?

Best regards

Guy

Mr Mayo

We do not issue invoices for pre application meetings, you just need to complete the pre application form and return to us and we will then request payment.

Forms can be found on our website.

Hi Dawn

Could you please raise an invoice for us to pay for a pre-application advice meeting?

Best regards

Guy

Dear Peter,

I trust that you're well.

Please find attached the CMP in respect of AWDM 1419/23 Condition 05 for distribution to the correct department(s).

The condition discharge and scanning fee have been paid (please see attached receipt).

Best regards

Guy Mayo
