Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment
Comments:	<p>There are a large number of buildings in the area that are HMO use. Car parking is restricted due to electric charging points being installed, there has also been a notable increase in anti social behaviour including drug and alcohol abuse</p> <p>What is required is low cost housing for families to live and thrive</p>

This development would increase the strain on local GP and Dental surgeries that are already struggling with the number of patients that they treat

Kind regards
