Dear Moses,

We have today received a new application from LPC for 15 huts (opposite the western end of your land). This replaces the previous application ADC/0116/10 (for 31 huts) which they have withdrawn.

Obviously we will be sending you the normal notification letter but please can you let me have the addresses of the people who have mobile homes and beach huts on your site that adjoin the site of the 15 huts now proposed.

I have attached the site plan of the new proposal so you can identify which lessees would be affected by this latest proposal.

If possible please can you reply today or tomorrow, so that we can send the notification letters to them this week.

Regards

Keith Morgan
