

FOR DRAINAGE
LEGEND & DRAINAGE
NOTES REFER TO
SHEET 1

- Where this drawing has been issued in electronic .dwg format it has been done so in good faith. ATCN Consulting LTD do not take any responsibility for any inaccuracies in the electronic data, which should be checked against the paper (or .pdf) drawing issue. Any apparent discrepancies should be immediately reported to ATCN Consulting LTD. The electronic .dwg file should not be assumed to be to scale and should not be used for 'overlying', setting out or checking of any third party information. All dimensions should be taken from the paper (or .pdf) version of the drawing. Electronic drawings may contain third party information. ATCN Consulting LTD take no responsibility for this information, which should be checked against the originators paper drawing(s).
- All dimensions to be checked on site prior to construction/fabrication.
- Do not scale from this drawing.
- Any discrepancies between drawings of different scales, and between drawings and specification where appropriate to be notified to ATCN Consulting LTD for decision.
- Copyright reserved. This drawing may only be used for The Client and location specified in the title block. It may not be copied or disclosed to any third party without the prior written consent of ATCN Consulting LTD.
- This drawing should only be used for construction if the drawing status is "Construction". ATCN Consulting LTD take no responsibility for construction works undertaken to drawings which are not marked with the status "Construction".

Health & Safety Note

The details on this drawing have been prepared on the assumption that a competent contractor will be carrying out the works. If the contractor(s) considers that there is insufficient Health and Safety information on this drawing, this should immediately be brought to the attention of the designer.
