Hi Carol,

I've spoken to our TravelWise Officer who has indicated that it would be useful to include how sustainable transport is being promoted; given the number of employees I wouldn't suggest anything to onerous - perhaps indicated that staff will be encouraged to sign up for www.sussexcarshare.com or providing bus time tables on an information board etc. I've attached our guidance which offers some further suggestions.

If you could just add a couple of ways that you will promote sustainable travel, like those suggested, we'll be satisfied to discharge the condition.

Kind regards,

Dominic

Think sustainably. Do you have to print? Can you double side? Do you need colour?

Carol,

The Travel Plan Statement (TPS) advice can be found on the County's website. Have a read through and adjust your client's TPS accordingly. The draft found attached to your email to me is far too simplistic.

Hi Tim,

I understand you may have had a conversation with my client Daniel Broyd regarding the Travel Statement for Unit 1, Marlborough Business Centre, Lancing.
This is what I have been sent in order to make an application for the discharge of the condition. However before I do this formally could you please cast your eye over this and let me know if it is acceptable or whether further information would be required.
Daniel is away on leave until late next week so I am unable to confirm how the conversation went.
many thanks,
Carol

Carol.

Please find attached a travel plan for unit 1.

We have spoken to our solicitor who advised us that we should not have had to do this as the unit should have already B2 use. We have paid half this to be transferred.

I hope this travel plan is suitable and I would be grateful if you would confirm receipt.

Thanks

Ceri
