Stance: Customer objects to the Planning Application

Reasons for comment:

- Highway Access and Parking
- Overdevelopment
- Privacy Light and Noise
- Trees and Landscaping

Comments:

I object to this development as it will lead to more congestion at this end of Firsdow Road This area is already overcrowded by people using this area to park whilst using the Refreshment Rooms at the top of the hill

From a personal view there will lack of privacy as our bungalow top floor bedroom will be in direct view from the new development

The development will also remove a number of mature trees that are an important natural resources to wildlife in the area
