Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Privacy Light and Noise
Comments:	To put a gym in the middle of a Residential building with private garden is inconsiderate to the residents therein. I wish you to reconsider granting planning permission for the said gym. As it is, there is not enough parking for the residents. It will be chaos with people fighting for parking spaces The gym doors will be constantly open to keep the cool air flowing and save money on air conditioning. The door opens onto our garden!!

I have not mentioned noise!! We all know this will be horrendous.
ALL THIS 24 HOURS SEVEN DAYS A WEEK!!!
Please reconsider this application.

Kind regards
