SCHEDULE

Conditions

01. The development hereby permitted shall be carried out in accordance with the following approved plans unless specified otherwise in a subsequent condition imposed on this decision notice.

Reference/Drawing Number	Version	Date Rec
PROPOSED PLANS	PL02A	01.05.2024
PROPOSED ELEVATIONS	PL03A	01.05.2024
PLANNING STATEMENT	P2110 PL2	04.03.2024
EXISTING LOCATION & BLOCK PLANS	EX01	04.03.2024
EXISTING PLANS	EX02	04.03.2024
EXISTING ELEVATIONS	EX03	04.03.2024
PROPOSED LOCATION & BLOCK PLANS	PL01	04.03.2024

Reason: *For the avoidance of doubt and in the interests of proper planning.*

02. The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

Reason: *To comply with Section 91 of the Town and Country Planning Act 1990.*

03. Works of construction or demolition, including the use of plant and machinery, necessary for implementation of this permission shall be limited to the following times.

Monday - Friday 08:00 - 18:00 Hours
Saturday 09:00 - 13:00 Hours
Sundays and Bank Holidays no work permitted

Any temporary exception to these working hours shall be agreed in writing by the Local Planning Authority at least five days in advance of works commencing. The contractor shall notify the local residents in writing at least three days before any such works.

Reason: *In the interests of residential amenity.*

04. The existing tree T1 of Tree Preservation Order No.5 of 2006 shall be protected for the duration of construction works with protective barriers surrounding the root protection area in accordance with BS 5837:2012 or as otherwise agreed in writing with the Local Planning Authority.

Reason: *In the interests of visual amenity and to protect the character of the locality and to comply with policy DM5 of the Worthing Local Plan.*

05. No development shall take place unless and until a detailed surface water drainage scheme for the site has been submitted to and approved in writing by the Local Planning Authority. The surface water drainage scheme must prioritise the use of source control Sustainable Drainage Systems (SuDS) in consideration of the Non-Statutory Technical Standards for SuDS and demonstrate no increase in flood risk as a result of the Proposed Development with sufficient supporting evidence provided to support its viability including supporting calculations for the 100% AEP (1 in 1 year), 3.33% AEP (1 in 30 year), 3.33% AEP (1 in 30 year) plus climate change, the 1% AEP (1 in 100 year) and the 1% AEP (1 in 100) plus climate change critical storms. Winter groundwater monitoring and winter infiltration testing to BRE DG365, or similar approved, will be required to support the design of any infiltration drainage. The scheme shall subsequently be implemented in accordance with the approved details before the development is completed.

Reason: *To ensure the flood risk is adequately addressed and not increased in accordance with policy DM20 of the Worthing Local Plan and the relevant paragraphs of the NPPF.*

06. The development hereby approved shall not be occupied until details of the maintenance and management of the sustainable drainage scheme have been submitted to and approved in writing by the Local Planning Authority. The drainage scheme shall be implemented prior to the first occupation of the development hereby approved and thereafter managed and maintained in accordance with the approved details in perpetuity. The Local Planning Authority shall be granted access to inspect the sustainable drainage scheme for the lifetime of the development. The details of the scheme to be submitted for approval shall include:

I. a timetable for its implementation.
II. details of SuDS feature and connecting drainage structures and maintenance requirement for each aspect including a drawing showing where they are located.
III. a management and maintenance plan for the lifetime of the development which shall include details of design life and the arrangements for adoption by any public body or statutory undertaker, or any other arrangements to secure the operation of the sustainable drainage scheme throughout its lifetime. This will include the name and contact details of any appointed management company.

Reason: *To ensure that the development achieves a high standard of sustainability and ensure the flood risk is adequately addressed and not*

increased in accordance with policy DM20 of the Worthing Local Plan and the relevant paragraphs of the NPPF.

07. Precise details of windows and doors including scaled plans and specifications shall be submitted to and approved in writing to the Local Planning Authority prior to installation. Thereafter the development shall only be carried out in accordance with the agreed details.

Reason: *In the interests of visual amenity and the wider conservation area having regard to policy DM5 and DM24 of the Worthing Local Plan and the National Planning Policy Framework.*

08. Precise details of railings, gates and posts including scaled plans and specifications shall be submitted to and approved in writing to the Local Planning Authority prior to installation. Thereafter the development shall only be carried out in accordance with the agreed details.

Reason: *In the interests of visual amenity and the wider conservation area having regard to policy DM5 and DM24 of the Worthing Local Plan and the National Planning Policy Framework.*

09. The external materials, detailing and finishes of the development hereby permitted shall, prior to commencement of use of the additional floorspace thereby created, be completed to match in design, colour and texture those of the existing building unless otherwise approved in writing by the Local Planning Authority.

Reason: *In the interests of visual amenity and to comply with policy DM5 of the Worthing Local Plan.*

10. Secure, covered cycle parking shall be provided within the curtilage of the site in accordance with details to be submitted to and approved in writing by the Local Planning Authority. Such approved cycle facilities shall be provided on the site before the additional office accommodation hereby approved is first brought into use and shall thereafter be retained permanently solely for such purposes.

Reason: *To encourage and provide for a sustainable non-car mode of transport having regard to policy DM15 of the Worthing Local Plan.*

11. An obscure glazed screen shall be installed to the edges of the roof terrace in accordance with the approved drawings before the terrace is first brought into use or as otherwise agreed in writing with the Local Planning Authority, and shall be retained thereafter.

Reason: *To prevent overlooking and to comply with saved policy DM5 of the Worthing Local Plan.*

12. The first floor roof terrace may only be used between the hours of 07:00 and 21:00 hrs and not outside these times.

Reason: *In the interests of residential amenity having regard to policy DM5 of the Worthing Local Plan.*

Informatives / Notes to Applicant

01. The Local Planning Authority has acted positively and proactively in determining this application by identifying matters of concern within the application (as originally submitted) and negotiating, with the Applicant, acceptable amendments to the proposal to address those concerns. As a result, the Local Planning Authority has been able to grant planning permission for an acceptable proposal, in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.

TOWN AND COUNTRY PLANNING ACT 1990
TOWN AND COUNTRY PLANNING (GENERAL PERMITTED DEVELOPMENT) (AMENDMENT) (ENGLAND) ORDER 2015

YOUR ATTENTION IS DIRECTED TO THE FOLLOWING NOTES FROM THE ABOVE ORDER. THEY ARE FOR INFORMATION ONLY AND DO NOT PRETEND TO SET OUT THE WHOLE OF THE LAW ON THE SUBJECT. IT WOULD BE WELL FOR YOU TO CONSULT YOUR SOLICITOR IF YOU ARE IN ANY DOUBT

Appeals to the Secretary of State

1. If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

2. If the decision relates to a householder application or minor commercial application, and you want to appeal, then you must do so within 12 weeks of the date of this notice. If the decision relates to express consent for the display of an advertisement, then you must do so within 8 weeks of the date of this notice. If the decision relates to a non-householder application, an appeal must be lodged within 6 months of the date of the decision notice. Appeals must be made using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or online at https://www.gov.uk/appeal-planning-decision.

3. The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances, which excuse the delay in giving notice of appeal.

4. The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

5. In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based their decision on a direction given by him.

Purchase Notices

6. If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the District Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Planning Act 1990..

7. Where this notice conveys approval or permission, conditional or unconditional, please note that the decision given does not purport to convey any consent or approval which may be required under the Building Act and Building Regulations, or any other legislation.

Reduced time for making a planning appeal where enforcement action is being taken

Where an enforcement notice has been served in relation to the same, or substantially the same, development as in the planning application no earlier than 2 years before the date the application was made, the period for receiving a planning appeal is within 28 days of the date on the planning application decision notice or of the date by which the LPA should have decided the application.

However, the LPA may formally decline to determine a retrospective planning application for permission for any development contained within a pre-existing enforcement notice served on or after 6 April 2012, where that notice was issued before the application was received by the LPA (see above). There is no right to make a planning appeal in such circumstances.

Where an enforcement notice was served in relation to the same, or substantially the same, development after the decision notice on the application was issued or after the end of the period the LPA had to determine the application, the period for receiving a planning appeal is within 28 days of the date the enforcement notice was served (unless this would extend the period beyond the normal 12 weeks or 6 months deadline).
