SCHEDULE**Reasons for Refusal**

01. The tree T1 is a prominent and established feature, which contributes positively to local character and landscape of the area. There is no arboricultural or other acceptable reason provided which would justify the loss of this tree, and other works could be considered that retain the tree. Having regard to the maturity and stature of the tree and its prominence within the street scene, these tree works would be detrimental to the visual amenities of the area.
