Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Trees and Landscaping
Comments:	Southwick green is an area of outstanding natural beauty and must be preserved for future generations to come. We must protect this environment and look after the established trees in this surrounding area. Please preserve the sycamore tree in Hope cottages garden and the Popular tree at 56 The Green Southwick. It would be a terrible shame to destroy these wonderful established trees and would great impact the landscape in this observation area.
