Dear team

Please take this email as a formal objection to the development of housing over the LadyWell Stream in Southwick.

This development was already declined in 2024: The 75 l/s flood risk, the Ladywell Stream, and the July 2024 Appeal Refusal (APP/ Y3805/W/23/3334241).

Best wishes

Anna Sadlier-McBarron, local resident
