Hi Peter,

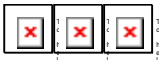

Thanks for sharing the information. I confirm that the information is sufficient for me to recommend discharge of condition 8. Please ensure that any approval lists:

- 8899/D1 Site Plan Showing Below Ground Drainage and External Works
- 8899/D2 Drainage Details 1
- 8899/D3 Drainage Details 2

Please ensure that these drainage plans are put on the public file in case we need to reference them in the future.

Kind regards,

Laura Gibbons

Hi Peter,

As promised please find enclosed the engineers design package which should include the drainage information needed for the conditions application.

Please pass on to the relevant team and let us know if there are any questions to follow.

Kind regards
