Details of the pre-application advice received

Dear David

Proposed vehicular crossover
75 Wiston Avenue, Worthing

I can confirm that Wiston Avenue is a ‘C’ class road which means that a crossover onto that road would require planning permission.

You can apply online: https://www.planningportal.co.uk/applications

You will need to submit a Householder Planning Application. The fee is £206 + the planning portal admin fee.

For guidance, you could look at AWDM/0150/22 online as this is a good example of what we need. (Put the above reference into the Simple Search box. Click on View Documents on the next page and then View associated documents.) I have also attached a copy of the plan submitted for AWDM/0150/22 to help. Most people will employ the services of an architect or the contractor who is carrying out the work to draw the plans and submit the application on their behalf.

https://planning.adur-worthing.gov.uk/online-applications/

Please note that you will also require a licence from the highways authority and you can ring West Sussex County Council Highways regarding this on 01243 642105 prior to the commencement of any works.

Kind regards

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:
(a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

◯ Yes
⊘ No
