Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Overdevelopment - Privacy Light and Noise
Comments:	Illuminated signage at this sit is NOT conducive with the environment . A TESCO premises is definitely NOT REQUIRED by the General public at this site as there are shops approxiamately 250yards away which serve the area well. These shops would more than likely loose trade and a Tesco on the Green Jacket site would cause a traffic hazard within 100 yards of a School, a cross road junction and access to Buckingham Park, already a cause for concern
