Comments:	BOUNDARY MARKER ON PLANS HAS BEEN INCORRECTLY MARKED. No 17's existing garage is built on the boundary. No 19's extension was subsequently added within 19 Cissbury Drive's boundary. The plans submitted clearly show No 19's extension to be built on the boundary and this is not the case (we have permitted 17's guttering to remain in situ over the boundary line as this has been the case since we moved in). We would appreciate the plans being amended to remain within No 17's boundary line.
