Subject: Urgent addition to objections to case AWDM/1019/25

To: [planning@adur-worthing.gov.uk](mailto:planning@adur-worthing.gov.uk) <[planning@adur-worthing.gov.uk](mailto:planning@adur-worthing.gov.uk)>

Please could you put this objection into your system today as it is the last day for objections. Thank you and much appreciated!

Dear Mr Barnett,

I am writing to object to the planning application AWDM/1019/25 Land west of 51 to 63 Southview Road Southwick.

I have lived on Underdown Road for nearly 20 years and live roughly opposite the proposed site but on the side of the road without the stream on it. I have observed a lot of flooding issues to do with the stream on our road as many other objectors have mentioned. I also agree the plans are not only a threat to the integrity of the sewage system on Underdown Road and the adjacent roads but also to other parts of Southwick as the extra run off from the Downs has to go somewhere.

Our MP Tom Rutland has also expressed serious concerns about the planning proposal and objects to it as well - this shoes the real risk to our area if it were to go ahead.

Yours sincerely

Robert Branchdale
