SCHEDULE

Reasons for Granting Permission

01. The proposed development would not detract from the local environment and can take place without resulting in unacceptable detriment to the amenities of neighbouring properties. It would consequently not conflict with the policies of the Adur District Local Plan (AG1, AH7) and the West Sussex Structure Plan (LOC1, DEV1).

Conditions

01. The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

Reason: *To comply with Section 91 of the Town and Country Planning Act 1990.*

02. The external materials and finishes of the development hereby permitted shall, prior to commencement of use of the additional accommodation thereby created, be completed to match in design, colour and texture those of the existing building unless otherwise approved in writing by the Local Planning Authority.

Reason: *In the interests of visual amenity and to comply with policy AH7 of the Adur District Local Plan and DEV1 of the West Sussex Structure Plan.*

03. This permission relates to the amended plan received on 17 May 2007 and not to the plan originally submitted.

Reason: *For the avoidance of doubt and because the application as originally submitted was unacceptable having regard to policy AH7 of the Adur District Local Plan and DEV1 of the West Sussex Structure Plan.*

04. Notwithstanding the provisions of the Town and Country Planning General Permitted Development Order 1995 as amended (or any Order revoking and re-enacting that Order with or without modification), no windows or other openings shall be formed in the north side wall of the rear extension or the south side wall of the south side extension without the prior permission of the Local Planning Authority on an application in that behalf.

Reason: *To prevent overlooking and to comply with policy AH7 of the Adur District Local Plan and DEV1 of the West Sussex Structure Plan.*
