Hello,

Their enquiry was:

I am a resident at 11 Bay Tree Close Shoreham BN43 6JN and have recently been made aware of a planning application made for 14 Bay Tree Close Shoreham. Looking at the proposals could I make you aware that by bringing the garage forward inline with the existing house will foreshorten the driveway considerably. We have parking issues in the close but as houses have driveways this helps alleviates the problem. This property has two cars plus a van that sits on the garden/driveway, the van does overhang the pavement with the garage in its present position. The van sometimes gets parked on the green, an amenity for the residents and actually obliterates the view for traffic leaving and entering the close. I do have photographs showing my concern.

Please reply to this email.

Thank you.
