Dear David

Sorry to hear you are stuck, hopefully you will be on your way soon.

I have spoken to Keith Morgan the Planning Services Manager and your application will be validated today. Thank you for informing us of the situation.

Kind Regards

Dawn Ayres

Dear Dawn
I am stuck abroad and have no news of early return.
I can provide a side elevation when I get home. In the meantime I would appreciate in this unusual situation if you could at least register the application.
The section should provide a good idea at present. Both neighbouring houses have extensions so I do not see any issue of overlooking or lack of light etc.
I would really hope you could do this as I am unable to do anything out here.

Best wishes

David,

Thank you for the fee and plans for the above, having shown the Planning Services Manager, he still requires the side elevations as previously requested befcre the application can be validated, the plans you have sent are the same as before.
