Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Design
Comments:	I cannot wait to see this building restored to its former glory. I am fully in favour of restoring the porch and decorating the building. I understand that it was dangerous and had to be temporarily removed for safety reasons. I know the owners have been keen to have this reinstated for a while; the whole street has suffered this ugly blight. Fingers crossed this work gets underway immediately.
