Dear Planning Team,

RE Planning Application Consultation for 26 Winchester Road Worthing West Sussex BN11 4DH

Thank you for requesting our comments in respect of the above-mentioned Planning Application.

I have discussed the proposal with our Heritage Team but they consider there is insufficient

information provided in the documents so we are unable to comment at this stage.

I understand the associated property is within a conservation area so it would be helpful to

have a visual image and Heritage Statement to give more background information.

We look forward to receiving these details in due course.

Kind regards,

Susan Belton.
