Comments Details

Commenter Type:	Agent
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Design
Comments:	The application does not reflect the actual changes that have taken place. This is not a like for like replacement of the original windows. Bifold doors were never fitted to any of the properties in Knightsbridge House and so the new installation represents a material change in terms of design and size. In light of this, should this application be approved, it would create a precedent for other leaseholders to make identical modifications.

Kind regards
