Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Design - Highway Access and Parking
Comments:	I will overlook the proposed new garage and driveway and have concerns about vehicle access . I have tried to contact the developer , Berkeley Parks , by email two weeks ago,requesting a meeting to discuss our concerns but have had no reply . I believe I met Ms Hearsey when she visited the site and wondered if she could meet me again to hear my concerns. I and other residents who will also overlook the site are simply worried that planning permission will be given , and building started before we have had an opportunity to make our concerns heard
