Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The installation of solar PV panels within the curtilage of a dwellinghouse - upon the main house and garage roofs. The solar PV would not protrude more than 0.2 metres beyond the plane of the roof slope when measured from the perpendicular with the external surface of the wall or roof slope. They will not be higher than the highest part of the roof (excluding any chimney). They will not be positioned on a wall which fronts a highway.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Information about the proposed use(s)

Is the proposed operation or use

- [x] Permanent
- [ ] Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The solar PV equipment is, so far as practicable are sited so as to minimise its effect on the external appearance of the building and The Green. The solar PV equipment would be removed as soon as reasonably practicable when no longer needed. I have stated that these are permanent above as I suspect they have a life of 15 years at least and therefore cannot be classed as temporary. Other green forms of energy generation are required within the county, and this willl help offset increasing bills and electrical grid use.

Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

- [x] Yes
- [ ] No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

- [x] The agent
- [ ] The applicant
- [ ] Other person

Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application?

- [ ] Yes
- [x] No

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:
(a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- [ ] Yes
- [x] No

Interest in the Land

Please state the applicant's interest in the land

- [x] Owner
- [ ] Lessee
- [ ] Occupier
- [ ] Other
