Email:	[redacted]
Address:	88 Old Fort Road Shoreham

Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Design
Comments:	I am in favour of this development, would prefer to replace the messy old houses with this type of thing. Design isn't as slick as number 90 though (sorry) don't like the look of the pitched roof on the west elevation.
