PROPOSAL: Formation of vehicular access and hardstanding with retention of brick piers. (Re-submission of previously refused application WB/07/1251/Full).

LOCATION : Ground Floor Flat 22 Eton Road Worthing

DATE REGISTERED 10th March 2008

APPLICANT : Miss Mandy Smith

WORTHING BOROUGH COUNCIL, under the above Act and Order, gives you notice that its decision upon your application described above and in the Drawing deposited on 10th March 2008, which accompanied the application, or as subsequently amended prior to consideration, is to

REFUSE PERMISSION for the reason(s) that:-

1. The proposal would result in the loss of the existing flint front boundary wall, an important feature which is considered to be intrinsic to the distinctive character and sense of enclosure along this terraced row; and together with the formation of an entirely hard-surfaced frontage, would detract from the quality and character of the local environment and be harmful to the visual amenities of the locality. As such the proposal is contrary to saved policies BE1 of the Worthing Local Plan 2003 and saved Policies DEV1 and CH1 of the West Sussex Structure Plan 2001-2016, and PPS1: Delivering Sustainable Development (2005).

Dated : 2nd May 2008
