Dear Sir.

regarding the development of a conservatory in the front ~~garden of 26~~ Wilmot.

I feel it would be out of keeping with the road as the house stands out from the rest of the houses coming from the east you will be able to see it from the flats. as the house is on a bend there could be accident b/c it people looking at it as they drive by. Cars speed down this part of the road to get as far as they can so it is not them who have to reverse back or they drive on the pavement at that spot also there is a bus stop there too.
