CHIEF EXECUTIVE'S
DEPARTMENT
- 8 NOV 2010

4th November, 2010.

Dear Sir/Madam,

Application Number; ADC/0282/10

Former Willow First School and youth hut, West Lane and Irene Avenue, Lancing BN15 9NY

I should like to add my objection to the above plans for the re-development of this site and would support the objections made by the Lancing Parish Council and by Cllr. Keith Dollemore.

My main interest is in education (40 years in education, of which 31 as a teacher). I have been informed that the Globe Primary School is "heaving at the seams" and surely there is a need to develop the site for classrooms and physical education activities.

Anyone supporting or voting for these proposals has obviously no thought for the local school children, both now and in the future as well as the other adverse effects on the community.

Yours faithfully,

[redacted]

John H. Tolhurst.
