27 Burrell Avenue,

Lancing,

West Sussex.
BN15 8QB

3rd November 2010

To Adur District Council planning committee,

Planning ref – ADC/0282/10

I object to your plans to build on the Old Willows school site in Lancing as I believe this land should be kept for the school use.

The sewer system will be overstretched if houses are built on the old Willows site. #

Please acknowledge my objection and keep me informed of developments. I am happy to lobby and protest on this issue.
