Subject: AWDM/0987/14 application for demolish & build at rear of 1 Cecil Road Lancing,

Dear Sirs,

I have just been made aware of the above application, having studied the plans and supporting information I can see no provision for parking for the new builds.

Cecil Road is unable to absorb any further parking, recently it has not been possible to park in the road on many occasions, being a resident I am becoming more and more concerned about this.
The recent opening of the SPA in Penhill Road has added to the problems as residents of Penhill Road are now also trying to Park in Cecil Road when SPA customers fill the spaces in Penhill Road.

Is it possible to object to this plan on the grounds of insufficient parking provision?

I do that feel residents of even numbers on Cecil Road should have been consulted as we will surely face disruption from demolishing and rebuilding of new housing on this site with regard to vehicular access, dust and general trades vehicle parking.

Kind regards,
Peter Duly
