Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This application must be refused. The uninterrupted view of the downs has been destroyed. This is a green gap and must be preserved. This proposed activities are not needed. Overnight parking already causes problems and parking for 150 vehicles would be overuse. Traffic onto Marine Crescent would cause congestion. The land is designated agricultural and not for development. Animals are not for entertainment. This application is contrary to the local plan.
