Comments:	I object to this planning proposal for the following reasons: There is absolutely no need to spoil a beautiful piece of green land for the sake of mobile toilets, parking and a Shetland pony for entertainment purposes! Kite surfers and swimmers that my husband has spoken to, do not want or need overnight parking and facilities.

There is a cafe just few minutes walk from the land where there are plenty of opportunities to eat, drink and there are toilet facilities.

It is an absolute eyesore at the moment, I honestly thought that there were travellers occupying the land. It is an mis mash of a couple of seats, portable toilets and a catering van. It really does spoil the area and immediate views.

I am afraid that if this planning application is granted, then an application will then become easier for planning to be approved.
