Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	I strongly object to the development of Goring/Ferring gap. Loss of our green space will severely impact our enjoyment of the area it will be dangerous for children. Parking on our limited green space will detrimentally affect our landscape. Please permanently stop Chris Dixon from trying to make a commercial venture out of this small piece of green land
