SCHEDULE

Reasons for Granting Permission

01. The proposed development would not detract from the local environment and can take place without resulting in unacceptable detriment to the amenities of neighbouring properties. It would consequently not conflict with the policies of the Adur District Local Plan (AG1, AH7) and the West Sussex Structure Plan (LOC1, DEV1).

Conditions

01. The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

Reason: *To comply with Section 91 of the Town and Country Planning Act 1990.*

02. The external materials and finishes of the development hereby permitted shall, prior to commencement of use of the additional accommodation thereby created, be completed to match in design, colour and texture those of the existing building unless otherwise approved in writing by the Local Planning Authority.

Reason: *In the interests of visual amenity and to comply with policy AH7 of the Adur District Local Plan and DEV1 of the West Sussex Structure Plan.*

03. The existing tree on the southern border shall be retained and shall be protected for the duration of construction works in a manner to be agreed with the local Planning Authority before the development commences and shall not be damaged, destroyed, uprooted, felled, lopped or topped. Any trees/bushes/hedges or parts thereof removed without consent or dying or being severely damaged or becoming seriously diseased during that period shall be replaced in the following planting season with trees/bushes/hedges of such size and species as may be agreed with the Local Planning Authority.

Reason: *In the interests of visual amenity and to protect the character of the locality and to comply with policy AB25 of the Adur District Local Plan and DEV1 of the West Sussex Structure Plan.*
