Dear Sir,

TOWN AND COUNTRY PLANNING ACT 1990

Section 211 Notice under the Town and Country Planning Act 1990 to fell two Sycamore trees and one Horse Chestnut tree in the Southwick Conservation Area.

Cricketers The Green Southwick West Sussex

I refer you to your notification under Section 211 of the Town and Country Planning Act 1990 to undertake the above works to tree(s) within a Conservation Area.

The Council has viewed the application and has determined that a Tree Preservation Order will not be made on the above tree(s). You may therefore undertake the works as described.

In your application you state that the Horse Chestnut tree T1 is dead, as such the Conservation Area conditions will require a replacement tree of a "suitable Species". Please can you provide details of the replacement tree such as: species type, size and numbers, along with a sketch plan of the intended planting location. The replacement tree should be planted within two years of removing the existing Horse Chestnut tree.

Please do not hesitate to contact the Development Management Section should you require further assistance.

Yours sincerely,

James Appleton
Executive Head of Planning, Regeneration and Wellbeing
