Comments:	Hi We have received a letter from Amanda Haslett, informing us that our neighbour would like to install motorised sliding gate and a boundary fence. We are the neighbour of the applicant, as far as we are aware the boundary is on our our side, so we would like to know more details on how this would affect our property or wall so to speak, will our wall remain? if not will the fence be fixed to ours or would posts be put on their side, how would this look to us our view? as it is our boundary if problems occurred in the future, who would be responsible and would this be documented? Many thanks and look forward to hearing back from you Justine Cawtheray

Kind regards
