For The Attn of Rebekah Smith.

Thank you for your letter of the 14th November.

My name is John Oram and I am the owner occupier of No 20 Erringham Road.
I am writing to say that I strongly object to any enlargement of the roof area on 18, Erringham Road. It is only just over one year since I invested £8300 to have solar panels installed. As you will see from the photos attached I already suffer some shadow from my neighbours roof.

Another photo will illustrate how light will be taken from my kitchen and utility room which are situated at the rear south side of my house. I am also blighted by a massive tree growing on 18's property which is now overhanging almost 50% of my garden putting it in permanent shade.

Please keep me informed my telephone number is 01273 441198 if required. Thank you again for informing me,

Yours sincerely,

John Oram
