Dear Mr Salter,

Fresh Cut Cafe 7 Rowlands Rd Worthing: WB/09/0104/FULL: Use as A3 restaurant and provision of ventilation and extraction system : Discharge of condition 1 : acoustic details of ventilation and extraction and condition 4: design of new chimney

Thank you for your application received on 20.10.09 regarding the above, including drawings and earlier submitted acoustic report.

My apologies for the delay in replying.

As previously noted, the acoustic arrangements are satisfactory from a noise point of view.

I am disappointed in the detailed design of the chimney as built but do not consider the deficiencies are such that corrective action is justified.

I hereby approve condition 1 and discharge condition 4.

Regards
