Reasons for comment:

Comments: Dear Marie,

Thank you for your 29th June email giving us 7 days notice to comment on the revised plans following agreement discussions with the Architect and our neighbours. We were abroad, just returning last night.

We are very glad agreement has been achieved and looking forward to seeing our neighbours enjoy their new extension.

It is our understanding the next step is for the applicants to take full responsibility for a Schedule of Conditions survey on our property under The Party Wall Act... happy to chat through dates and time, though, fully realise they may choose to do this once they have an idea of a start date.

With the work being so close to our property we would kindly ask that inclusive month's May-August are avoided as we use our patio/garden a lot.

Kindest regards
Sarah
