TO:	Adur & Worthing Councils FAO: Louise Prew
FROM:	WSCC – Highways Authority
DATE:	13 August 2026
LOCATION:	Annexe 2 Hazelhurst Crescent, Worthing, West Sussex, BN14 0HN
SUBJECT:	AWDM/0712/26 Conversion of existing two self-contained residential dwellings to a single dwellinghouse including removal of front elevation door to previous annexe
DATE OF SITE VISIT:	n/a
RECOMMENDATION:	Advice

This application has been dealt with in accordance with the Development Control Scheme protocol for small scale proposals.

This application is for the conversion of existing two self-contained residential dwellings to a single dwellinghouse including removal of front elevation door to previous annexe. The site is located on Hazelhurst Crescent, an unclassified residential road subject to a speed restriction of 30 mph.

The LHA does not anticipate that the proposals would give rise to a material intensification of movements to or from the site. Existing access and parking arrangements will be unaffected by the proposals.

The LHA does not consider that this proposal would have an unacceptable impact on highway safety or result in 'severe' cumulative impacts on the operation of the highway network, therefore is not contrary to the National Planning Policy Framework (paragraph 116), and that there are no transport grounds to resist the proposal.
