Address:	Grafton Road Worthing West Sussex

Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment - Privacy Light and Noise
Comments:	I am concerned that if this property is extended it will block out the light to my property and affect my privacy. Currently there is a garage on the site which blocks out some light and I am not overlooked by windows but anything higher and/or wider would really have a negative affect on the light coming into my house and my privacy. I feel the footprint and elevation of the current building is perfectly adequate as there is some parking on the site. If this was removed there would be additional pressure on on-street parking on Salisbury Road which is already heavily used for parking. In the past there has been noise nuisance and anti-social behaviour by occupants of this house so I would be concerned that this may reoccur if there were more occupants.
