SCHEDULE

Reasons for Granting Permission

01. The proposed development is within the built-up area and would help meet the need for additional housing without detracting from the existing local urban environment. It can take place without resulting in unacceptable detriment to the amenities of neighbouring properties and without detraction from highway safety. It would consequently not conflict with the relevant policies of the Adur District Local Plan (AG1, AH2) and the West Sussex Structure Plan 2001-16 (LOC1, NE1, CH1, ERA1, DEV1, DEV4-5).

Conditions

01. The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

Reason: *To comply with Section 91 of the Town and Country Planning Act 1990.*

02. This permission relates to the application as amended by the revised plan 02D received on 11 November 2008.

Reason: *For the avoidance of doubt and because the application as originally submitted was unacceptable having regard to policy AH2 of the Adur District Local Plan and DEV1 of the West Sussex Structure Plan.*

03. No development shall take place until details of walls and/or fences have been submitted to and approved in writing by the Local Planning Authority and the building shall not be occupied until such walls and/or fences have been erected.

Reason: *In the interests of amenity and to comply with policy AH2 of the Adur District Local Plan and DEV1 of the West Sussex Structure Plan.*

PTO

04. No use of the vehicular access shall take place until a satisfactory kerb and pavement crossing between the boundary of the site and the adjoining carriageway has been constructed. The requisite specification can be obtained from the Area Highway Engineer, WSCC Southern Area Office, Clapham Common, Clapham, Worthing, West Sussex BN13 3UR. There shall be no drainage of surface water from the property onto the highway.

Reason: *In the interests of highway safety and to comply with policy DEV4 of the West Sussex Structure Plan.*

05. The garage building shall be used only as a private domestic garage for parking vehicles incidental to the use of the property as a dwelling and for no other purpose.

Reason: *In the interests of residential amenity and to ensure provision of adequate off-street parking space and to comply with policy AH7 of the Adur District Local Plan and DEV5 of the West Sussex Structure Plan.*

06. The building hereby permitted shall not be occupied until provision for access and parking of vehicles and cycles has been made in accordance with details to be submitted to and approved in writing by the Local Planning Authority and such provision shall thereafter be used only for access and parking of vehicles and cycles incidental to the use of the proposed development.

Reason: *To ensure adequate provision for parking clear of the highway and to comply with policy DEV4-5 of the West Sussex Structure Plan.*

07. No development shall take place unless and until there has been submitted to and approved in writing by the Local Planning Authority a scheme of landscaping which shall include indications of all existing trees and hedgerows on the land, and details of those to be retained, together with measures for their protection in the course of development. All planting, seeding or turfing comprised in the approved details of landscaping shall be carried out in the first planting and seeding seasons following the occupation of the buildings or the completion of the development, whichever is the sooner, and any trees or plants which within a period of 5 years from the completion of the development die, are removed or become seriously damaged or diseased shall be replaced in the next planting season with others of similar size and species, unless the Local Planning Authority gives written consent to any variation. The details submitted under this condition shall include the planting of Holm Oak trees or similar of a type and size to be approved in writing by the Local Planning Authority.

Reason: *In the interests of visual amenity and the environment and to comply with policy AB25-27 of the Adur District Local Plan and DEV1 of the West Sussex Structure Plan.*

PTO

08. The existing trees shall retained and shall be protected for the duration of construction works in a manner to be agreed with the local Planning Authority before the development commences and shall not be damaged, destroyed, uprooted, felled, lopped or topped. Any trees dying or being severely damaged or becoming seriously diseased during that period shall be replaced in the following planting season with trees of such size and species as may be agreed with the Local Planning Authority.

Reason: *In the interests of visual amenity and to protect the character of the locality and to comply with policy AB25 of the Adur District Local Plan and DEV1 of the West Sussex Structure Plan.*

09. No trenches or pipe runs for services and drains or any other excavations shall be cut or laid within 5 metres of the trunk of any existing tree to be retained on this or adjoining sites.

Reason: *To protect tree roots from damage likely to lead to the loss of the tree and to comply with policy AB25 of the Adur District Local Plan and DEV1 of the West Sussex Structure Plan.*

10. No development shall be carried out unless and until a schedule of materials and finishes to be used for the external walls and roof of the proposed building has been submitted to and approved in writing by the Local Planning Authority.

Reason: *In the interests of visual amenity and to comply with policy AH2 of the Adur District Local Plan and DEV1 of the West Sussex Structure Plan.*

11. Notwithstanding the provisions of the Town and Country Planning General Permitted Development Order 1995 as amended (or any order revoking and re-enacting that Order with or without modification), the proposed dwelling shall not be extended or any incidental building (exceeding 10 cubic metres in volume) erected within its curtilage unless permission is granted by the Local Planning Authority on an application in that behalf.

Reason: *In the interests of amenity and the environment and to comply with policy AH2 of the Adur District Local Plan and DEV1 of the West Sussex Structure Plan.*
