SCHEDULE

Reasons for Granting Permission

01. The proposed development is within the built-up area and would help meet the need for additional housing without detracting from the residential amenities of neighbouring properties, from the visual amenities of the locality, including the character and appearance of the adjacent Conservation Area, and without detriment to highway safety. It would consequently not conflict with the relevant policies of the Adur District Local Plan (AG1, AG3, AB3, AB25-27, AH2, AH5) and the West Sussex Structure Plan 2001-16 (LOC1, NE1, CH1, ERA1, DEV1, DEV3-5).

Conditions

01. The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

    Reason: *To comply with Section 91 of the Town and Country Planning Act 1990.*

02. No development shall take place until details of walls and/or fences have been submitted to and approved in writing by the Local Planning Authority and the buildings shall not be occupied until such walls and/or fences have been erected.

    Reason: *In the interests of amenity and to comply with policy AH2 of the Adur District Local Plan and DEV1 of the West Sussex Structure Plan.*

03. The flats shall not be occupied until the parking spaces and access facilities shown on the submitted plans have been provided in accordance with construction details to be submitted to and approved in writing by the Local Planning Authority. The areas of land so provided shall not thereafter be used for any purpose other than access and parking of vehicles incidental to the use of the proposed flats.

    Reason: *To ensure adequate provision for parking clear of the highway and to comply with policy AH2 of the Adur District Local Plan and DEV4-5 of the West Sussex Structure Plan.*

PTO

PD

04. No use of the widened vehicular access shall take place until a satisfactory kerb and pavement crossing between the boundary of the site and the adjoining carriageway has been constructed. The requisite specification can be obtained from the Area Highway Engineer, WSCC Southern Area Office, Clapham Common, Clapham, Worthing, West Sussex BN13 3UR. There shall be no drainage of surface water from the property onto the highway.

Reason: *In the interests of highway safety and to comply with policy DEV4 of the West Sussex Structure Plan.*

05. The building hereby permitted shall not be occupied until space has been laid out within the site in accordance with the details shown on the submitted plan for the turning of vehicles clear of the public highway and such space shall not thereafter be used other than as a turning area.

Reason: *In the interest of highway safety and to comply with policy DEV4 of the West Sussex Structure Plan.*

06. The proposed widened access shall be laid out to include visibility splays on both sides of its junction with the existing highway. These splays shall be defined by:-

(i) A line 2.4 metres long measured along the centre line of the proposed road from the line of the nearer edge of the carriageway of the existing highway; and

(ii) A line 37 metres long to the west and 35 metres long to the east measured along the nearer edge of the carriageway of the existing highway from its intersection with the centre line of the proposed road; and

(iii) A straight line joining the termination of the above lines.

No other work shall be carried out on the site until the above-mentioned splay areas have been provided and thereafter these said splay areas shall be kept free from any obstruction over 0.6 metres above the level of the carriageway of the highway.

Reason: *In the interests of highway safety and to comply with policy DEV4 of the West Sussex Structure Plan.*

07. No construction work shall be carried out on site unless there is available within the site in accordance with details approved by the Local Planning Authority provision for temporary parking and loading/unloading of all Contractors vehicles, and for Contractors buildings, plant, and stacks of materials and such provision shall be retained for these purposes throughout the period of work on the site.

Reason: *In the interests of highway safety and amenity and to comply with policy DEV4-5 of the West Sussex Structure Plan.*

PTO

08 No work shall be carried out on the site unless and until an effective vehicle wheel-cleaning facility has been installed in accordance with details approved by the Local Planning Authority and such facility shall be retained in working order and operated at all times during the construction period to ensure that vehicles do not leave the site carrying earth, mud or other material on their wheels in a quantity which causes a nuisance or hazard on the road system in the locality.

Reason: *In the interest of highway safety and to comply with policy DEV4 of the West Sussex Structure Plan.*

09. No development shall take place unless and until there has been submitted to and approved in writing by the Local Planning Authority a scheme of landscaping which shall include indications of all existing trees and hedgerows on the land, and details of those to be retained, together with measures for their protection in the course of development. All planting, seeding or turfing comprised in the approved details of landscaping shall be carried out in the first planting and seeding seasons following the occupation of the buildings or the completion of the development, whichever is the sooner, and any trees or plants which within a period of 5 years from the completion of the development die, are removed or become seriously damaged or diseased shall be replaced in the next planting season with others of similar size and species, unless the Local Planning Authority gives written consent to any variation.

Reason: *In the interests of visual amenity and the environment and to comply with policy AB25-27 of the Adur District Local Plan and DEV1 of the West Sussex Structure Plan.*

10. The existing trees to be retained as shown on plan DFD/CREST/ELM/L2 rev.B shall be protected for the duration of construction works in a manner to be agreed with the local Planning Authority before the development commences and shall not be damaged, destroyed, uprooted, felled, lopped or topped. Any trees dying or being severely damaged or becoming seriously diseased during that period shall be replaced in the following planting season with trees of such size and species as may be agreed with the Local Planning Authority.

Reason: *In the interests of visual amenity and to protect the character of the locality and to comply with policy AB25 of the Adur District Local Plan and DEV1 of the West Sussex Structure Plan.*

11. No development shall be carried out unless and until a schedule of materials and finishes to be used for the external walls and roofs of the proposed buildings has been submitted to and approved in writing by the Local Planning Authority.

Reason: *In the interests of visual amenity and to comply with policy AH2 of the Adur District Local Plan and DEV1 of the West Sussex Structure Plan.*

PTO

12. No external lighting or floodlighting shall be installed except in accordance with details to be submitted to and approved in writing by the Local Planning Authority.

Reason: *In the interests of amenity and to comply with policy AP9 of the Adur District Local Plan and DEV1 of the West Sussex Structure Plan.*

13. No development shall be carried out until all buildings and structures existing on the application site at the date of this permission (except boundary walls or fences) have been demolished, the debris removed from the site and the site cleared.

Reason: *In the interests of amenity and to comply with policy AH2 of the Adur District Local Plan and DEV1 of the West Sussex Structure Plan.*

14. No flats shall be occupied until the associated facilities for storing refuse and waste, including for waste that can be recycled, have been provided in accordance with details to be submitted to and approved in writing by the Local Planning Authority.

Reason: *In the interests of amenity and to comply with policy DEV1 of the West Sussex Structure Plan and G12 of the West Sussex Waste Local Plan Deposit Draft.*
